# INTRODUCTION TO THE ARCH COMPANY

01

**The Arch Company is the UK's largest small business landlord, serving thousands of business owners who make a unique and vital contribution to the UK economy. The Arch Company is proud to be the landlord to a diverse, passionate group of small business owners, entrepreneurs and community organisations across England and Wales. Railway arches are filled with businesses of all kinds: bakeries, breweries and butchers; bars and restaurants; hairdressers and beauty salons; vehicle repairers and MOT garages; makers workshops and even offices or logistics centres.**

The Arch Company are custodians of a property portfolio that tells the story of Britain today. The histories of the railway arches, business estates and former station buildings bear witness to the transformative impact of the railways on Britain from the mid-nineteenth century to the present.

By the late 1890s the majority of Britain's railway lines had been constructed. Unlike Europe, where railways were state-owned and planned, in Britain railway companies were independent private enterprises. These companies competed fiercely with each other creating the now-familiar pattern of inter-city railways radiating from the fringes of city centres. In this battle for space Britain's cities were transformed.

## #LOVEYOURLOCAL ARCHES PHOTOGRAPHY COMPETITION

We are delighted to announce the launch of our [#LOVEYOURLOCALARCHES](#) Photography Competition 2022, celebrating outstanding images of railway arch communities across the country. This is the arch architecture, the businesses within them and the spaces that surround them.

Our panel of judges are looking for photographs that encapsulate the arch community. Successful images will be well crafted and striking, with competitors encouraged to tell a visual story through their photography.

Not all arches belong to The Arch Company, please register your College/Universities interest to receive a list of local arches in your area by contacting us on [0800 830 840](tel:0800830840) or email us at [Marketing@thearchco.com](mailto:Marketing@thearchco.com).

The competition is open to all students that are enrolled in college/university.

### COMPETITION CATEGORIES

#### **Unique, Urban Spaces**

Arches are at the heart of urban centres, and have an impressive past, present and future. Embracing the unique features that the arches have to offer (in terms of exterior, brickwork, structure, and outside space). Arches are also unique commercial spaces, and each arch is fitted out in a different way, so embracing this visually is key.

#### **The Arch Community**

Arches are often surrounded by people in their everyday environment – they are places where people work, shop and create. The arches provide a sense of community between locals, business owners and we'd like to see images that celebrate this dynamic relationship, and foster a sense of togetherness.

#### **Movement**

Storytelling the dynamism of the arches, by providing lifestyle images that are less static and unexpected.
